Introduction to HGF.

11:00AM - 12:00PM

What is an invention? And why is a patent useful?:

We will show you patents we have worked on; talk you through the process of obtaining a patent, and why a patent is useful to a business.

12:00PM - 1:00PM

What do we do day-to-day?

Our partners and trainees will talk through typical days and what we enjoy most about our jobs.

1:00PM - 2:00PM

Lunch Break

Meet with our attorneys and trainees in an informal setting and ask us questions about the role.

2:00PM - 3:00PM

How do you qualify to be a patent attorney?

Our trainees will talk you through the process.
